Suggested Supplies:

- *sketchbook/journal & pen.*
- *acrylic paints: one tube each of red, yellow, blue, black, and white plus any other colors you desire.*
- *Flow Release—a surfactant that when added to acrylic paints detains drying.*
- *3 sheets of sheets of Arches 140 lb. 22" x 30" watercolor paper—either rough, hot press or cold press.*
- *3 stretched canvases—each with one measurement of 24" or larger.*
- *several very wide house painting brushes or extra-large foam brushes.*
- *several palette knives or painting knives and several different widths of putty knives.*
- *two bulldog clip and one large foam core big enough to hold the 22" x 30" paper.*
- *1 roll of Contractor's Trimico Paper (3 -ft x 100-ft) from Lowes or Home Depot (several students can share one of these long rolls).*
- *any water-based left-over interior or exterior house paints and/or paints from the Oops! shelves of Home Depot's and Lowes' paint departments.*
- *odds & ends: paper towels, 2 large water containers, disposable palettes or freezer paper or paper plates or butcher tray, several small plastic mixing containers, large carry-all bag*

Kindly note: for Weeks 1 & 2, items in italic are suggested and for Weeks 3 & 4, the nonitalized items are suggested.
