Building Art Up & Out

Genie Kell

Choose materials & tools that you are curious about and that will stretch your boundaries of expression. For weeks 1 & 2 You will not need everything on these lists—2 *foam core or Masonite mounting boards for weeks 1 and 2 measuring any size of your choice*

- old paintings on paper or canvas or canvas board
- *Elmer's Glue or acrylic medium for gluing paper and clear silicon tub and tile caulking (caulk comes in tubes a little larger than the average toothpaste tub)*
- for use with wood, a tack hammer, nails
- *scissors or Exacto knife*
- *your choice of paints of any kind and any colors and several brushes of varied sizes*
- *various kinds of papers—various thickness, textures, weights, colors (rice, tissue, watercolor, wrapping, brown, butcher, typing) and fabric scraps or swatches*
- found objects that have symbolic meaning for you—for instance, photos, an old watch, a glove, a letter, musical instruments
- any objects that provide a variety of forms, shapes, patterns, or textures

Kindly note: for Weeks 1 & 2, items in italic are suggested and for Weeks 3 & 4, the broadest variety of items are suggested.
