Alcohol Ink Painting

Christine Otis

\$20 fee due to instructor at first class for specialty materials

Inks stain your clothes, so be sure you wear appropriate clothes, an apron and comfy shoes. You may want to bring a mask as using isopropyl alcohol is very strong.

91% or higher of isopropyl alcohol

Alcohol inks (color choice and brand are up to you—I would choose at least 6 different colors)

At least 3 needle tip bottles

A palette that can hold inks

Ink blower

Stylus dotting tools

Paper towels/cloths

Heat gun

You can purchase these items at: Jerry's Artarama (online), Dick Blick Art Materials (online), Jackson's (online), Amazon (online), Michaels, and many other retailers.
