Pour Painting

Christine Otis

\$50 supply fee due at first class for pour medium, Floetrol, and other specialty materials.

For the first class, bring four canvases, painter's tape, paper towels, and paints (listed below).

Wooden or cotton canvasses—purchase at least 12 canvases—I recommend any of these sizes: 8" x 10", 10" x 10", 9" x 12", 12" x 12" or 11" x 14"

Please keep in mind, you may need more canvases depending on how you work. I recommend purchasing wooden canvases online. They are more expensive, but they are also sturdier than cotton canvases. Cotton canvases can sag.

Hair dryer

Extension cord

Paper towels

Painter's tape

Acrylic paints- You will use a lot of white, so you may want to purchase Artist's Loft brand in the large one-quart container, which is inexpensive. Also purchase black paint, and a variety of other colors. The brand of paint does impact the piece, so I recommend using: Golden (high flow, fluids or heavy body), Master's Touch, Amsterdam, Deco Art Americana Décor Metallics, and many more (this is not an extensive list, just suggestions). I recommend only purchasing a few colors of paints for the first class. After the first class, you can then decide what other colors and brands you would like to purchase.

You can purchase these items at: Jerry's Artarama (online), Dick Blick (online), Jackson's (online), Holbein Artist Materials (online), Michaels, and many other retailers.
