

Feel the Art

Exhibition on View: Oct. 1 - 27, 2018

Art is generally considered to be a visual experience, but our appreciation of art does not need to come purely from sight. Touching is a basic instinct and a way to experience objects, gather information and build awareness. The **Feel the Art** exhibition will feature artwork by sighted, visually impaired and blind artists. Shaking off the traditional gallery-goer behavior, visitors will be invited to use their sense of touch to explore the exhibition.

Artwork will be exhibited on the ground floor of the Naples Art Association (NAA) in the Frederick O. Watson Gallery. There are five cash awards: **Best of Show \$150, First Place \$100, Second Place \$50 and 2 Honorable Mentions of \$25**

Artists are invited to enter up to four original works of art for the jury process. Entry forms will be provided during receiving. There is a \$15 entry fee for each artwork entered (\$5 entry fee for each artwork by NAA contributors and free for Lighthouse of Collier program participants). There is a maximum of four entries per artist. Artwork entered may be available for purchase or listed as "not for sale." There is no artwork shipping for this exhibition. Artwork must be delivered on the Artwork Receiving dates listed near the bottom of this page under the heading EXHIBITION CALENDAR. Size and other restrictions also apply. [See reverse side for complete entry details.](#)

Entry Instructions - Feel the Art

Touch Requirement for All Artwork

Gallery visitors will experience artwork through touch and sight. Entries should provide stimuli for both senses. Artwork should be safe to touch, durable and able to withstand handling by gallery visitors.

Criteria for Submitting Artwork

1. Up to four original works of art not exhibited in the art center within the preceding twelve months are eligible for the jury process. **Artwork must have been completed in 2014, 2015, 2016, 2017 or 2018.**
2. **Overall width for 2-dimensional artwork (including frame, if framed) is not to exceed 60 x 60 inches.** Artwork must be ready for gallery installation. If framed, artwork must be ready to hang with a sturdy wire and wire ends covered with masking tape to prevent injury. Unframed wall-dependent artwork should be ready to install with clear directions and/or a diagram for installation. Providing a photograph of the artwork as it appears when completely installed will be helpful for both the jury process and exhibition installation.
3. **3-dimensional artwork** will be exhibited adjacent to gallery walls to keep the floor space open for groups of people and events. Pedestals will be provided for the exhibition. However, artists with specific pedestal requirements (size, height, color, type) should provide their own pedestal(s).
4. **Weight Limits:** 3-dimensional artwork is not to exceed a weight of 100 pounds. Artwork must be delivered into the Frederick O. Watson Gallery by the artist or artist's helpers. 3-dimensional artwork weighing more than 50 pounds must fit on the Naples Art Association's 20 x 30 inch platform cart for installation and moving within the gallery. Ceiling suspended artwork cannot exceed a weight of 5 pounds.
5. **Complete a 3-part receiving form when delivering your artwork.** 3-part forms will be available during scheduled receiving times. The form must be completed with all required information (artist's name, email address, telephone number, artwork title, date of completion, media, dimensions and price or not for sale value). Failure to complete the form will make the artwork ineligible for the jury process.
6. **Notifications:** Participating artists will be telephoned the afternoon of Sept. 26, 2018 and informed of the jury process results. Non-accepted artwork should be picked up during the designated time.
7. **Additional Information on the Artwork and/or Artist:** A gallery binder with information on the artists and/or artwork will be available in the gallery for visitors. Please feel free to bring your typewritten artist's statement, biography, artist resume or an artwork description on 8.5 x 11 inch paper for inclusion in the binder.

Waiver: Due care will be taken with all artwork. However, the Naples Art Association will not be held responsible for loss and/or damage to registered and exhibited artwork. Participants may wish to acquire insurance to cover loss and/or damage. Artwork not picked-up by December 1, 2018 will be considered abandoned and become the property of the Naples Art Association.

Sales of Artwork: The Naples Art Association will process sales of artwork during the exhibition. Exhibited artworks are listed on an exhibition handout with artist's name, artwork title and price or NFS, if not for sale. Please state a value if you are listing your artwork as NFS. The Naples Art Association will retain a 30% commission on all artwork sold during the exhibition. After a buyer purchases a work, the artist will be notified by email. Art buyers may pick up their purchased artwork from the art center on or after October 29 or, if prior arrangements have been made, the artwork will be shipped. After the buyer has taken possession of his or her purchased artwork a check for the sale proceeds will be mailed to the artist's address in the Naples Art Association's database. Sale proceeds are generally mailed within three weeks from the close of an exhibition.
