Let Freedom Ring!

An Exhibition By and About Women

Exhibition on View: **April 3 - 23, 2020**

From ancient times to the present, women throughout the world have participated in the visual arts in diverse and stimulating ways as creators and innovators, patrons and collectors or significant contributors. Our **Let FREEDOM Ring!** exhibition will shine a bright light on the contributions of women in the visual arts.

You are invited to submit images of your original work depicting what FREEDOM means to you for the selection process. There is no submission fee. All submissions accepted for the exhibition will be a 100% donation by the artists for a raffle to benefit Naples Art and Planned Parenthood of Central and Southwest Florida. Event proceeds will benefit both organizations equally. Artwork must meet size and other restrictions. [See reverse for submission details.](#)
