

Pour Painting

Christine Otis

Wooden, or cotton canvasses

Purchase at least 12 canvases—you will be creating at least one triptych piece, so three 8" x 10" canvases. For the other canvases, you can choose any canvas size, but no larger than 11" x 14". Keep in mind, you may need more canvases depending how you work. The emphasis for this class is taking your time to create your design by using colors and the techniques involved.

Hair dryer

Extension chord

Crème brûlée torch (be sure it's filled with butane)

Mask

Paper towels

Painter's tape

Acrylic paints

You will use a lot of white and black, which I recommend purchasing Artist's Loft brand in the large one-quart container, which is inexpensive.

For other acrylic paint colors, which does impact the piece, I recommend using: Golden (high flow, fluids or heavy body), Daler & Rowney, Liquitex, Holbein, Winsor & Newton, Utrecht, Grumbacher, Art Deco, and many more (this is not an extensive list, just suggestions).

You can purchase these items at: Jerry's Artarama (online), Dick Blick (online), Jackson's (online), Holbein Artist Materials (online), Michaels, and many other retailers.
